Do you need complaint assistance?

If you are unable to complete a written complaint due to a disability or if information is needed in another language we can assist you. Please contact us at 573-748-2866 or karen@new-madrid.mo.us.

How will your complaint be handled?

City of New Madrid investigates complaints received no more than 180 days after the alleged incident. City of New Madrid will process complaints that are complete. Once a completed complaint is received, City of New Madrid will review it to determine if the City of New Madrid has jurisdiction.

The City of New Madrid will generally complete an investigation within 90 days from receipt of a complaint. If more information is needed to resolve the case, the City of New Madrid may contact you. Unless a longer period is specified by the City of New Madrid, you will have ten (10) days from the date of the request to send the requested information. If the requested information is not received, the City of New Madrid may administratively close the case. A case may also be administratively closed if you no longer wish to pursue it.

After an investigation is complete, the City of New Madrid will send you a letter summarizing the results of the investigation, stating the findings and advising of any corrective action to be taken as a result of the investigation. If you disagree with the City of New Madrid's determination, you may request reconsideration by submitting a request in writing to the City of New Madrid's City Administrator within seven (7) days after the date of the City of New Madrid's letter, stating with specificity the basis for the reconsideration. The City Administrator will notify you of the decision either to accept or reject the request for reconsideration within ten (10) days. In cases where reconsideration is granted, the City Administrator will issue a determination letter to the complainant upon completion of the reconsideration review.
